## Events in March 13<sup>th</sup> – 21<sup>st</sup>

### Apple Tree Grafting

Saturday & Sunday 13<sup>th</sup> & 14<sup>th</sup> March 10.00am  
Middle Wood Trust

Join tutors Phil Rainford from the Northern Fruit Group and Rod Everett from Middle Wood Trust during this weekend of learning how to graft apples. Using a variety of rootstocks and a wide selection of grafting materials you will graft over 100 trees, giving you repeated experience in the techniques to develop your confidence. These trees will contribute to the Lancashire Apple Project that propagates rare and traditional apple trees from around Lancashire
