**FOOTWEAR IN THE FELLS: Community walk, tea and talk
from Lowgill Old School to talk at Lower Lythe Farm**

Saturday 20th August 2022 at 1pm

Before wellies, how did the farmers and children living on the Fells keep their feet dry? Where did they get their shoes from and how did they manage the winters in the mud of the farmyards and fields?

1pm: Park, gather at Old School, Lowgill for a guided community walk to Lower Lythe (3 miles)
2.30pm Arrive Lower Lythe for refreshments & a talk/workshop by Settle Shoe-maker Daniel Nelson
on the history of shoes used in the Fells

Daniel is 7th generation Settle-based shoe-maker and an expert on historical footwear. Daniel will demonstrate his skills using the same tools and techniques that his great-grandfather used and passed down to him.

Daniel will talk about the history of shoes with a focus on what footwear people would have worn, how they would have been cared for and repaired, here in the fells. And how shoes developed over time...

Did you know in the 1850s, Lowgill had several shoe-makers, including the Inn keeper of The Rose & Crown, a farmer at Fleet Green and at Beethams and the grocer and a shoemaker at Lowgill Farm House.

The walk will be led by local historian, John Wilson
