

**REMEMBER!** Don't pick anything along the trail and never eat anything unless you're with a qualified expert.

How many ducks are swimming in front of the hide?

Mallards

Teal

Teal are much smaller than mallards, can you see both on the water or around the edge of the reservoir?

Blackthorn (Sloe)

Can you find some dark blue sloe berries, or any other dark blue berries?

Hawthorn

Can you find some red Hawthorn berries or any other red berries?

Fungi

How many different coloured fungi can you spot?

Both ash and sycamore seeds have wings and are called keys. They spin in the wind so are also called "spinners". See if you can find some and try throwing them up in the air.

Ash

Sycamore

Can you solve these autumn anagrams?

1. EASELV
