Stretching from the high fells of the Bleasdale
Horseshoe to the sharply edged ridge of Longridge Fell,
the southwestern fringe of the Forest of Bowland
combines amazing, striking scenery with rich farmland
and superb local produce.

This largely rural area is a walkers' and cyclists' paradise,
criss-crossed with some outstanding circular walks and
quiet country lanes to cruise along on two wheels.
And there's plenty of scope for enthusiastic foodies
to embark on a gastronomic tour of this productive
corner of Bowland where local cheeses are a speciality.

Not to be missed! During
May the woods of Calder
Vale surrounding the church
are filled with the glorious
sight and scent of bluebells.
The church also serves
refreshments on Sundays
throughout May.

Stay

This remote corner of the Forest of Bowland has an inviting selection of cosy B&Bs and self-catering providers – many of whom actively welcome walkers and cyclists. See the section at the end for a list of options.

Day 1: Big Views on Foot

Rolling hills that rise behind the Lancashire Plain offer splendid views over Morecambe Bay and beyond to the Lakeland fells. On a really clear day it is possible to see the Isle of Man and the Great Orme on the North Wales coast. Birds such as meadow pipits and skylarks are common on the fell, while the more fortunate may catch a glimpse of tree pipits or yellowhammers.

Be sure to visit Beacon Fell Country Park which features 75 hectares of woodland, grassland and moorland. There are several woodland trails which are great for families and four-legged friends. The visitor centre and cafe are also open daily.

Explore on Two Wheels

The quiet roads make this part of Bowland a paradise for cyclists. Both on and off-road routes all feature undulating terrain with some extended steep climbs. We have two recommended routes for road cyclists, both of which start at the pretty village of Scorton - a hub for cyclists, with some fantastic eateries.

Scorton Circular is a lovely 16 mile tour of the quiet lanes and hamlets along the southern fringe of the Bowland Fells or, for an extended 27 mile route, enjoy the unspoilt beauty of **Grizedale and Bleasdale**.

As well as their famous Creamy, Crumbly and Tasty Lancashire cheeses, they also produce an award-winning sheep's cheese - Ramshackle. Call **01995 61532** to check opening times.

Fantastic pubs include the Derby Arms, Longridge and the Shireburn Arms, Hurst Green or, for more formal dining, try the restaurant at the Gibbon Bridge Hotel and sample some mouth-watering Lancastrian delicacies.

Day 3 AM:

Down On The Farm

Get up close with some friendly farm animals at **Cobble Hey Farm and Gardens**. This working farm in the foothills of the Bleasdale Fells welcomes visitors during spring and summer and feeding the lambs in March and April is extremely popular. There's also an on-site café serving wonderful home produce. Call Cobble Hey **01995 602643** to check opening times, which vary according to the farming calendar.

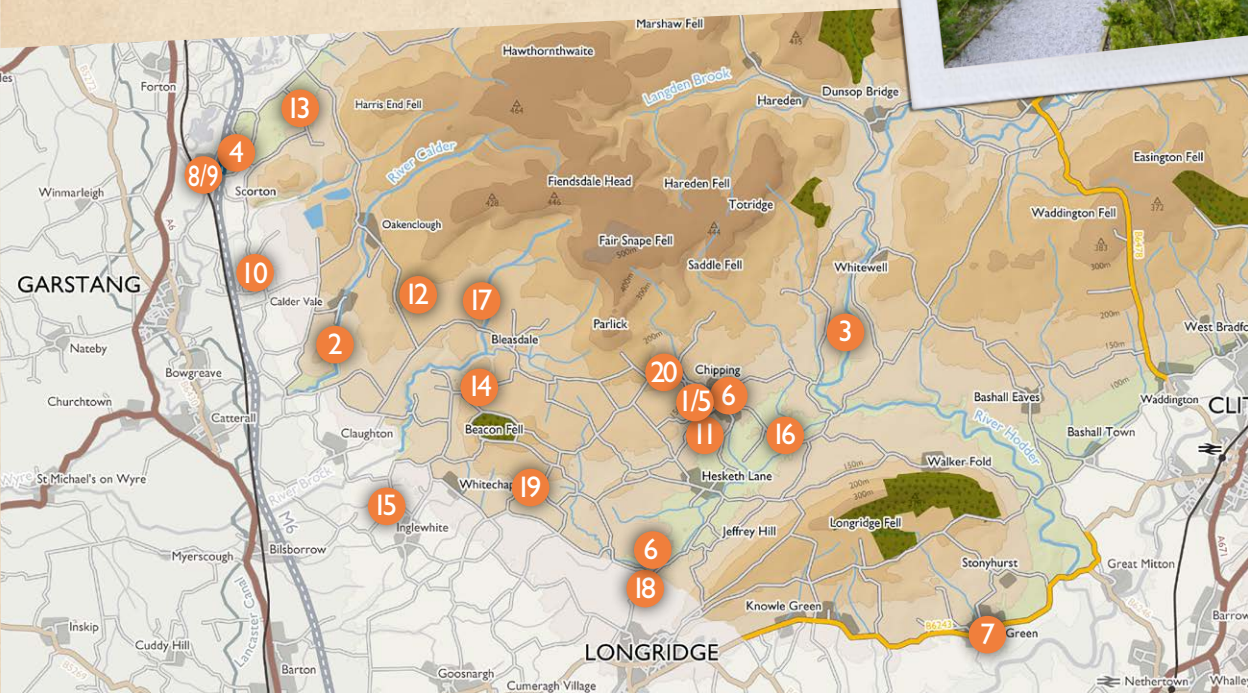

Or visit **Bowland Wild Boar Park** - one of the most popular visitor attractions in the area. This out of the way farm and wildlife park is especially popular with families and schoolchildren, who love getting close to the farm animals and exploring nature on one of the park's wildlife walks. You can even extend your stay by hiring one of the park's camping pods. Call **01995 61075** to book your visit.

Day 3 PM:

Time For Tea?

After a ride or walk, you have every excuse to indulge in a few sweet or savoury treats at one of the locale's noted cafes or farm shops. **The Barn** at Scorton is an extremely popular destination with local cyclists in search of a good coffee and something sticky and sweet, while **The Apple Store** at Wyresdale Park is a must-visit destination for any fan of traditional English Afternoon Tea. .
