Before you begin

Consents and Permissions

Before you apply for your project, you must make sure that you will be able to obtain all the consents and permissions required.

You are responsible for arranging all relevant consents, permissions, exemptions and written advice needed for your application. You will not be offered an agreement without all the necessary consents and permissions being in place.

To make sure you submit a valid application:

- identify the consents and permissions you need as soon as you start your application. This will depend on any designations attached to the land included in the application and on the activities and items that you are applying for in your application. You can speak to your farm engagement officer for advice on this.
- contact relevant organisations for advice and consents, where required
- be able to provide your Protected Landscape with the evidence needed to support your application.

You may be unaware of some of the consents and permissions you need until after you have received advice. You should talk to your farm engagement lead about the relevant organisations to contact for advice and to gain consent or permission.

21. What do you expect this project will achieve?

Protected Landscape Management Plans

This project must contribute towards the priorities of the Protected Landscape the project will be delivering in. You should read the <https://www.forestofbowland.com/management-plan> before answering this question.

22. How will this project contribute towards the local priorities/management plan of Forest of Bowland AONB with reference to specific priorities?

Programme outcomes

There are several outcomes that this programme is aiming to deliver on, across four key themes: Climate, Nature, People and Place. The project must deliver against at least one of the programme outcomes. You can find out more about the themes and outcomes in the accompanying 'Guidance for Applicants'.

23. Please indicate the outcomes that the project will deliver against and how they will be delivered.

<i>Column A</i>	<i>Column B</i>	<i>Column C</i>
Theme	FiPL programme outcomes	<p>The FiPL programme has a series of outcomes it seeks to achieve (as detailed in Column B).</p> <p>The majority of projects will not deliver for every theme and outcome.</p> <p>For the themes that are relevant to your project, you must make clear which outcomes the project will deliver against.</p> <p>Fill in the relevant boxes with details of the project activities. You will need to make clear:</p> <ul style="list-style-type: none">• What the activity is• How it will deliver the outcome
Climate	C1: More carbon is stored and/or sequestered	
	C2: Flood risk has been reduced	
	C3: Better understanding among farmers, land managers and the public as to what different habitats and land uses can deliver for carbon storage and reduced carbon emissions	
	C4: The landscape is more resilient to climate change	

Nature	N1: There is a greater area of wildlife rich habitat	
	N2: There is greater connectivity between habitats	
	N3: Existing habitat is better managed for biodiversity	
	N4: There is an increase in biodiversity	
People	PE1: There are more opportunities for people to explore, enjoy and understand the landscape	
	PE2: There are increased opportunities for more diverse audiences to explore, enjoy and understand the landscape	
	PE3: There is greater public engagement in land management, for example through volunteering	
Place	PL1: The quality and character of the landscape is reinforced or enhanced	
	PL2: Historic structures and features are conserved, enhanced or interpreted more effectively	
	PL3: There is an increase in the resilience of nature friendly sustainable farm businesses, which in turn contributes to a more thriving local economy	

Ability to deliver

24. Who will be involved in delivering the project?

Please explain how they will contribute to the project's delivery.

25. How will you ensure that the project delivers to your anticipated timeframe and within each financial year?

Please make clear the steps you will need to take to achieve your key milestones and successfully deliver your project.

26. Tell us how you will baseline your starting point and how you plan to measure the progress the project is making against its intended FiPL outputs/outcomes.

Sustainability and legacy of projects

27. What will happen to the project once the funding ends?

Describe how the project will:

- have a lasting positive impact for the Protected Landscape and others
- continue for the longer term
- increase the sustainable resilience of your farm

Evaluation

In submitting this application, you confirm that you will work with your local Protected Landscape team to participate in a proportionate project evaluation and, if required, feed into programme evaluation led by the programme external evaluation team.

You may choose to opt out of the evaluation at any time by contacting your Protected Landscapes officer.

Section 4: Project costs

Please complete Annex A.

You must discuss the project and seek support from your Farming in Protected Landscapes officer to complete this section.

<u>Project costs and funding</u>			
<u>Quotes</u>			
<p>If any of your project costs are based on an actual cost basis, please list the quote(s) you have or the sources of benchmarked cost(s) in the Application Template Annex A. You must include copies of the quote(s) / benchmarked cost(s) with your application.</p> <p>Where an activity has a CS equivalent, costs must be at the same payment rate and the same intervention rate. Please ensure you make clear why the chosen specification and costs are necessary to achieve the project outcomes. Funding will be based on the lowest quote. Where the chosen supplier of a product or service is not the cheapest available, please also provide a clear explanation as to why you have opted for the higher quotation.</p> <p><i>For further information on the requirements for quotes, please refer to the Guidance for Applicants.</i></p>			
<u>Match funding</u>			
<p>If this project includes any match funding, please describe what this is and attach details including value, terms and source(s) of funding with your application.</p> <p>Please note match funding in the programme refers to third party funding only and does not include your own funds or contribution to the project.</p> <p>The total value of the match funding should be entered in both Annex A and the Project Funding Summary table in this application template.</p>			
<u>VAT</u>			
<p>If you are able to reclaim VAT from HMRC, please exclude VAT from the figures given in this project costs section and Annex A.</p> <p>If you are not VAT registered, you will be able to include VAT in the project costs and your grant request, but you must complete Annex B (Not Registered for VAT Form) and include as part of your application.</p>			
28. Are you VAT registered?	Yes		No
29. If yes, please state your VAT number.
